VI. Contribution Limits (R.S. 18:1505.2 H, K)

- A. Contributions, in-kind contributions, loans, endorsements or guarantees on loans and transfers of funds are all counted towards the contribution limits.
- B. Exceptions:
1. A candidate's personal funds are not subject to the limits.
 2. Loans obtained by the candidate made in the ordinary course of business, on a basis which assures repayment, at the usual and customary interest rate from a state bank, a federally chartered depository institution, a depository institution with insured accounts, a licensed lender or an insurance company do not count towards the limits. However, a loan from such an institution shall be considered a "loan" by each endorser or guarantor in the proportion of their liability, and the endorsement or guarantee is subject to the contribution limit.

The contribution limits are detailed in the following chart:

	To a major office candidate or candidate committee per election ¹	To a district office candidate or candidate committee per election ¹	To an any other office candidate or candidate committee per election ¹	To a PAC between 1/1/19 and 12/31/22
Individual may give ²	\$5,000	\$2,500	\$1,000	\$100,000 ⁷
Family Member of Candidate may give	\$5,000	\$2,500	\$1,000	\$100,000 ⁷
Legal Entity may give ³	\$5,000	\$2,500	\$1,000	\$100,000 ⁷
PAC may give	\$5,000	\$2,500	\$1,000	\$5,000/2,500/1,000 ⁵ (\$100,000 Party PAC's ⁶)
Big PAC ⁴ may give	\$10,000	\$5,000	\$2,000	\$10,000/5,000/2,000 ⁵ (\$100,000 Party PAC's ⁶)
Democratic or Republican Party or committees may give	no limits	no limits	no limits	no limits

¹ The primary and general elections are considered as two separate elections. A candidate may accept contributions for the general election only if he is in the general election and only after the primary election.

² A husband and wife may each make contributions to the same candidate up to the limit. However, separate checks should be used. If a single check is signed by one spouse, the other must provide an affidavit as to their intent to share in the contribution.

³ Includes legal entities owned wholly or partially by candidates, except Internal Revenue Code Sub-chapter S corporations and limited liability companies wholly owned by the candidate. Parent corporations and their subsidiaries are subject to a single limit. A corporation is a parent if it owns 50% of another corporation.

⁴ A PAC with over 250 members who contributed over \$50 to the PAC during the preceding calendar year and has been certified by the Ethics Administration as meeting that membership requirement.

⁵ The applicable limit is determined by the level of office sought by the candidates supported/opposed by the recipient PAC, e.g., a contribution by a PAC to another PAC supporting only major office candidates is subject to the \$5,000 limit (or the \$10,000 limit if the contributor is a Big PAC). If the PAC receiving the contribution supports candidates for more than one type of office, then the highest limits shall apply. See website www.ethics.la.gov for additional information.

⁶ Contributions made by a political committee to a recognized political party or any committee thereof is \$100,000.

⁷ In *The Fund for Louisiana's Future v. Louisiana Board of Ethics*, et al., USDC, Eastern District of Louisiana No. 14-0368 (May 2, 2014), the Court concluded that the limit did not apply to contributions received by an independent expenditure-only political committee.

VII. Maintenance of records (R.S. 18:1495.3(B)(2))

A record must be kept for every transaction, including the sale of tickets to fundraising events. The sale of a ticket to a fundraising event is reported as a contribution. Exception: In the case of a single transaction involving the sale of campaign paraphernalia and raffle tickets for \$25 or less, no record need be kept except the total amount received and deposited and the fact that such amount was received from such sale. Successive sales cannot be done to avoid the reporting requirements. Campaign paraphernalia includes campaign pins, buttons, badges, flags, emblems, hats, shirts, banners, literature and similar items (R.S. 18:1483(6)(b)(iii)). (Campaign paraphernalia does not include the sale of dinners; those sales need to be reported as contributions.)

VIII. Prohibited Practices (R.S. 18:1505.2)

A. Failure to file or failure to timely file a required report. Automatic penalties of at least \$100, \$60 or \$40 per day for "Major," "District," and "Any Other" office, respectively, will be assessed for late reports.

NOTE: Unpaid campaign finance fines, fees or penalties may have an adverse effect on a candidate's ability to run for public office in the future, as the Board of Ethics will object to the candidacy of a person who has an outstanding fine, fee or penalty equal to or in excess of \$250 assessed for a violation of the Campaign Finance Disclosure Act for which all appeals have been exhausted. Also a candidate or a candidate's committee which owes outstanding fines or late fees may not expend campaign contributions until all such fines are paid.

B. Making contributions or loans through or in the **name of another**.

C. Using funds from an **anonymous** source. Anonymous contributions must be transmitted to the State.

D. Making or receiving **cash** contributions in excess of \$100 in a calendar year per source. Any cash contribution must be evidenced by a receipt containing the name, address and signature (or mark) of the contributor.

E. Making or receiving payments, including reimbursements of costs, for the **transportation** of any voter to a polling place or for absentee voting unless the payment is to a licensed bus, taxi, or

transportation service. (R.S. 18:1531) Medical transportation services do not qualify to receive payments for transporting voters.

All receipts must be deposited into an account maintained at the depository and all expenditures (except for petty cash) should be by check drawn on the account. The memo line of the check should indicate the objects or services for which it is drawn.

Petty Cash Exception: A petty cash fund may be maintained. Expenditures may be made in cash from the fund and the fund shall, from time to time, be restored to its original amount. No expenditure in excess of \$100 may be made from the fund and no expenditure shall be made from the petty cash fund for any personal services, except tips for serving food and drink. A complete record shall be kept of all expenditures made from a petty cash fund and a receipt shall be kept in any case in which a receipt would be provided in the usual course of business. Petty cash expenditures must be itemized as all other expenditures on the disclosure forms.

- C. A political committee is required to clearly indicate that its contribution to a candidate or a candidate's committee is from a political committee either by a designation on the check or by a separate notification attached to the contribution.
- D. Records are required to be kept of every contribution, including the **sale of tickets** to testimonials or other fundraising events. The date, amount, and name and address of the contributor must be recorded and reported. Exception: Records are not required to be kept of the name and addresses of individual purchasers of campaign paraphernalia and raffle tickets for \$25 or less. The total amount received and deposited

from campaign paraphernalia and raffle ticket sales must be reported. Paraphernalia sales are still contributions and successive single sales may not be used to avoid the recordkeeping requirements.

- E. **Cash contributions** are subject to a \$100 per person limit during the calendar year. The cash contributor must be given a receipt containing name, address and signature of contributor as well as date and amount of contribution.
- F. Records are required to be kept of every expenditure, including those made by a public relations firm, advertising agency or agent. The date, amount and name and address of the recipient must be recorded and reported. The public relations firm, advertising agency or agent must collect the information required to complete the committee's report and furnish it on a timely basis.
- G. Every transaction involving receipts or disbursements must be reported, regardless of amount.

VII. Reporting Deadlines (R.S. 18:1491.6)

Note: A specific reporting schedule is available for each election. Reporting and filing schedules are available on our website. Reports are filed when received, when postmarked or receipted on a return receipt request if sent by United States Mail, when received electronically, or when deposited for delivery with a commercial delivery service as indicated on a receipt.

Political committees that receive contributions in excess of \$50,000 or make expenditures in excess of \$50,000 in a calendar year, other than a political committee of a recognized political party, must electronically file disclosure reports.

The L.E.A.D.E.R.S. software used for electronic filing can be downloaded from our website at www.ethics.la.gov. To begin filing electronically, a password and identification number must be submitted at least five business days prior to a reporting deadline.

- A. **ANNUAL REPORTS** are filed for each PAC no later than February 15 of each year and are complete as of the preceding December 31.

Exceptions: An annual report is not due (1) if another required report was filed any time after the preceding December 10 and prior to the February 15 due date, or (2) if the PAC has received no contributions, made no expenditures, and received or made no loans during the reporting period.

- B. PACs have the option of filing reports on a monthly basis. **MONTHLY REPORTS** are due no later than the 10th day of the month following a month in which the committee accepts a contribution or receipt or makes an expenditure or disbursement. The Political Committee Notice of Monthly Filing must be submitted to this office at least 45 days prior to the due date for the next required report. The first monthly report is due by the 10th of the month following the month in which the notification is delivered. The form and additional information regarding monthly filing is available on our website.
- C. PAC's who do not file monthly reports file according to the **CANDIDATE'S REPORTING AND FILING SCHEDULE**. PAC's begin filing reports according to the date they make contributions or expenditure in support of or opposition to a candidate and reports are filed following the reporting and filing

schedule for the specific election they are participating. PAC's electing to file reports on the same schedule as the candidates they support or oppose must file reports as follows:

1. **180 DAYS PRIOR TO THE PRIMARY ELECTION (180-P)** Filed only by PACs supporting or opposing major office candidates.
 2. **90 DAYS PRIOR TO THE PRIMARY ELECTION (90-P)** Filed only by PACs supporting/opposing major office candidates.

 4. **10 DAYS PRIOR TO THE PRIMARY ELECTION (10-P)**
 5. **ELECTION DAY EXPENDITURES (EDE-P) REPORT** for election day workers, advertisements broadcasted or published on election day and automated calls made on election day. Name and address of all election day workers must be reported. Report is only required if election day expenses are made.

 8. **40 DAYS AFTER THE GENERAL ELECTION (40-G)** Filed only by PACs participating in the general election.
- D. **Affidavits in Lieu of Reports:** PACs which support or oppose candidates for major or district offices and do not spend over \$5,000 or receive contributions from one source totaling in excess of \$200 may file an affidavit in lieu of each report required above. A separate affidavit is required for each report and once a PAC exceeds either of the threshold amounts it may not return to filing affidavits during that calendar year.
- E. **Special Reports** are required during the 20 day period immediately preceding an election if: a contribution or loan in excess of \$1,000 for PACs supporting/opposing major office candidates or \$500 for district office candidates, or \$250 for any other office candidates is received and accepted during the 20 day period, or an expenditure in excess of \$200 is made during the 20 day period to a person required to file disclosure reports who makes endorsements. PACs electing to file monthly reports are **NOT** required to file Special Reports for receipts, however, monthly filers must file Special Reports if they make an expenditure in excess of \$200 to a person required to file disclosure reports who makes endorsements. **Note:** Special Reports must be filed within 2 business days of the transaction.
- F. **Supplemental Reports** are required to be filed annually by February 15, complete through the

preceding December 31, if the last report of a PAC for an election shows outstanding debts or loans. **Exception:** A supplemental report need not be filed if the PAC is dissolved or disbanded and shows outstanding debts and loans totaling less than \$2,500.

- G. **Proposition Elections:** Reports are required 30 days prior to the election, 10 days prior to the election and 40 days after the election. Special reports are required for any contribution or expenditure in excess of \$200 during the 20 day period immediately preceding the election.
- H. **Recall Elections:** Statement of organization is required within 3 days of the filing of the recall petition. Reports are due 45 days, 135 days, and 200 days after the filing of the recall petition. If the recall effort is successful, the rules for proposition elections then apply.

VIII. Contribution Limits (R.S. 18:1505.2 H, K)

Contributions, in-kind contributions, loans, endorsements or guarantees on loans and transfers of funds are all counted towards the contribution limits.

Exception: Loans to the political committee (without endorsements or guarantors) from state banks, federally chartered depository institutions, depository institutions with insured accounts, licensed lenders or insurance companies do not count towards the limits.

The contribution limits are detailed in the following chart:

	To a major office candidate or candidate committee per election ¹	To a district office candidate or candidate committee per election ¹	To an any other office candidate or candidate committee per election ¹	To a PAC between 1/1/19 and 12/31/22
Individual may give ²	\$5,000	\$2,500	\$1,000	\$100,000 ⁷
Family Member of Candidate may give	\$5,000	\$2,500	\$1,000	\$100,000 ⁷
Legal Entity may give ³	\$5,000	\$2,500	\$1,000	\$100,000 ⁷
PAC may give	\$5,000	\$2,500	\$1,000	\$5,000/2,500/1,000 ⁵ (\$100,000 Party PAC's ⁶)
Big PAC ⁵ may give	\$10,000	\$5,000	\$2,000	\$10,000/5,000/2,000 ⁵ (\$100,000 Party PAC's ⁶)
Democratic or Republican Party or committees may give	no limits	no limits	no limits	no limits

¹ The primary and general elections are considered as two separate elections.

² A husband and wife may each make contributions to the same candidate up to the limit. However, separate checks should be used. If a single check is signed by one spouse, the other must provide an affidavit as to their intent to share in the contribution.

³ Includes legal entities owned wholly or partially by candidates, except Internal Revenue Code Sub-chapter S corporations and limited liability companies wholly owned by the candidate. Parent corporations and their subsidiaries are subject to a single limit. A corporation is a parent if it owns 50% of another corporation.

⁴ A PAC with over 250 members who contributed over \$50 to the PAC during the preceding calendar year and has been certified by the Ethics Administration as meeting that membership requirement.

⁵ The applicable limit is determined by the level of office sought by the candidates supported/opposed by the recipient PAC, e.g., a contribution by a PAC to another PAC supporting only major office candidates is subject to the \$5,000 limit (or the \$10,000 limit if the contributor is a Big PAC). If the PAC receiving the contribution supports candidates for more than one type of office, then the highest limits shall apply.

⁶ Contributions made by a political committee to a recognized political party or any committee thereof is \$100,000.

⁷ In *The Fund for Louisiana's Future v. Louisiana Board of Ethics*, et al., USDC, Eastern District of Louisiana No. 14-0368 (May 2, 2014), the Court concluded that the limit did not apply to contributions received by an independent expenditure-only political committee.

- Cash contributions in excess of \$100 from one source during a calendar year are prohibited. A cash contributor must be given a receipt containing his name, address and signature, and the date and exact amount of the contribution. The campaign must keep a copy of the receipt.
- A record must be kept for every transaction, including the sale of tickets to fundraising events. The sale of a ticket to a fund-raising event is reported as any other contribution. Exception: In the case of a single transaction involving the sale of raffle tickets and campaign paraphernalia for \$25 or less, no record need be kept except the total amount received and deposited and the fact that such amount was received from such sale. The total amount from campaign paraphernalia and raffle ticket sales of \$25 or less is reported on Line 3a & 3b of the Summary Page. Records of receipts and disbursements must be kept by the candidate or his committee and maintained for two years after the final report is filed.
- The following contribution limits apply: \$5,000 for major office candidates, \$2,500 for district office candidates, and \$1,000 for any other office candidates. You may not accept more than your contribution limit from one source per election. You may not accept contributions from persons substantially interested in the gaming industry. The primary and general are considered two separate elections. When calculating whether the limits have been reached, outstanding loans, endorsements or guarantees on loans, and contributions must be added together. The limits do not apply to the candidate's use of his own funds or to contributions made by recognized political parties or their committees. The limits do apply to contributions made by family members and legal entities owned by the candidate or his family members. The limits may be doubled when the contributor is a political committee with over 250 members who contributed at least \$50 to the committee during the preceding calendar year. The committee must have certified that it meets this membership requirement on its annual Statement of Organization.
